Hello, I'm Mark Brook and delighted to have been appointed the new Town Clerk of Meltham. I've lived here for over 10 years and absolutely love the place, such nice people and I'm really looking forward to helping the town flourish in years to come. My interests outside of work are playing golf at Meltham Golf Club, getting out on walks with my dog Harry and my son Thomas – if I can ever get him out of bed! I also like to socialise at the pubs in the village.

I'm based at the council offices in The Carlile Institute, if you need a chat either pop in or email me at townclerk@melthamtowncouncil.gov.uk and I'll be only too happy to help.

Broadlands Recreation Ground

The last 12 months have seen work part-completed on the refurbishment of the play area at Broadlands Recreation Ground; new play equipment, seating and trees have been installed; there are still some items to be added to the overarching scheme though;

these will be completed in the Spring. This will focus on planting; there have been requests for additional seating, which is currently being reviewed by Kirklees Council, who are running the refurbishment programme and own the land.

It's a Knockout!

The Meltham Memories Committee organised a fantastic family fun day in July at Meltham Sports Complex & Broadlands Recreation Ground.

The day raised funds of £862.71 each for Crossroads Food Bank and Meltham Wildlife Rescue
