1. Introduction

This scheme of delegation and Terms of Reference for committees are not based on a model document but have been drafted to reflect the position at Meltham Town Council. They were adopted by Council on the 3 October 2022. Any subsequent changes to these must be detailed at Appendix A:

A scheme of delegation is essential to regulate the operation of a Council - documenting to whom the Council has agreed to grant a power to take a decision on behalf of the Council. This Scheme of Delegation authorises the Proper Officer, Clerk and Responsible Financial Officer and Standing Committees of the Council to act with delegated authority in the specific circumstances detailed. The terms of reference of committees set out in broad terms what the Council has agreed the remit of each committee is to be, how many times a year it should meet (as a minimum) and its membership and quorum. For the avoidance of doubt, no individual Councillor has the power to take decisions on behalf of the Council nor seek to bind the Council.

The Council has four standing committees, which are:

- Communications and Events
- Personnel and Councillor Development
- Planning, Environment & Amenities
- Properties, Finance, Administration & General Purposes

If an item under discussion is within the Committee's delegated powers the minutes will record the decision as **RESOLVED**. If the matter is not within the Committee's delegated powers the minutes will record the decision as **RECOMMENDED** and it will then be brought to the attention of the Council for a decision. It is not necessary for the Council to ratify Committee decisions where a delegation applies. In cases where it is not clear whether a decision is within the Committees delegated powers the Committee should make a recommendation to Council.

Any Committee, the Proper Officer, Clerk and Responsible Financial Officer may refer specific matters to the Council for a final decision if they so wish notwithstanding the existence of a delegation to take that decision.

Delegations shall, at all times, be exercised in accordance with the Council's Standing Orders, Financial Regulations and this Scheme of Delegation and, where applicable, any other rules, regulations, schemes, statutes, By-laws or orders made and with any directions given by the Council from time to time

Drafting notes

Some of the matters reserved to full Council and some of the matters listed under Proper Officer / Responsible Financial Officer are legal and statutory requirements. They should not be altered unless the legal position changes. For convenience, the word 'councillor' is used and, unless the context suggests otherwise, includes a non-councillor with or without voting rights. The term 'Chair' and 'Vice Chair' have been used throughout but shall have the same meaning as 'Chairman' and 'Vice Chairman'. The terms 'their' and 'they' have been used throughout but shall have the same meaning as 'his' and 'he'. The term Chair of Finance shall mean the Chair of the Properties Finance Administration and General Purposes Committee. Finance Committee shall mean the Properties Finance Administration and General Purposes Committee.
