Invitation Meltham Town Council Civic Service

Sunday 13th September 2026

The Town Mayor of Meltham, Councillor Lisa Coates would like to invite residents and community group representatives alike, to join us on Sunday 13th September 2026 at our annual Civic Service.

The Civic Service is one of the highlights of Meltham's community calendar, bringing together residents, local organisations, volunteers, councillors and public servants to celebrate all that is good about our town.

This special occasion provides an opportunity to recognise and thank the many individuals and groups whose dedication, kindness and commitment help make Meltham a vibrant, caring and welcoming place to live. From community volunteers and charitable organisations to those serving in public roles, their contributions enrich the lives of others every day and strengthen the spirit of our community.

The service will reflect on the importance of service, community and working together, while celebrating the people who generously give their time, skills and support to others.

You are invited to assemble at The Carlile Institute on Carlile Street, Meltham, at 10.15am in readiness for a procession, leaving at 10.30am. The procession will be led by our very own Meltham and Meltham Mills Band. The Service itself will be held at St Bartholomew's Church, Greens End Road, Meltham, which will start at approximately 10.45am.

Mark Brook
Town Clerk & RFO
